

8 years. Can you believe its been 8 years? 8 years since a dear friend convinced me that it was time step forward and begin fulfilling the charge that Kelsey set forth on her journey to Heaven, "**Be Bold! Live Life to the Fullest!**" Thus began the Live Life to the Fullest barrel race and the Kelsey Mae Davis

Scholarship.

It has truly been amazing to see what the **Live Life to the Fullest** barrel race and the **Kelsey Mae Davis Scholarship** has been able to accomplish in just a short amount of time. Thanks to our many sponsors, volunteers and barrel racers we have been able to set *new records for barrel racing in West Texas!* We have gone from 190 contestants with a payout around \$25,000 to over 300 entries and record-breaking payouts of more than \$68,000. Perhaps more importantly, though, is what those barrel racing entries and payouts have done for the **Kelsey Mae Davis Scholarship** and the lives of the students who receive them. In its first year, the Kelsey Mae Davis Scholarship was able to award two scholarships at \$2,000 each, but just as **Live Life to the Fullest** has grown so has our ability to impact lives. The

2019 LL2F:
817 Total Entries
\$68,512 Paid Out

\$242,000 has been awarded through the Kelsey Mae Davis Scholarship!

The Kelsey Mae Davis Scholarship made an investment of \$72,000 in 2019 for 16 different people, ranging from high school graduates to those going to trade schools to the single mom going back to get her degree. All totaled the Kelsey Mae Davis Scholarship has paid out \$242,000 in a short seven years. Your support of Live Life to the Fullest barrel race and the Kelsey Mae Davis Scholarship truly makes a difference!

We've accomplished a great deal, but we have not finished. To continue to fulfill Kelsey's charge, we need help from the people who care about *impacting lives* in a **bold** way. People, I hope, like you who are willing to **BE BOLD** and assist us in carrying out Kelsey's mission. Investing in the Live Life to the Fullest barrel race is an investment in the future.

Sincerely,

Jeanette Scott
