- **Returned Checks:** There is a **\$100 service charge** on all returned checks from the bank, for any reason.
- **Dogs:** Dogs must be on a leash at all times.
- **Turn Out Rules:** Contestant shall identify themselves to the Gate Man and be in the holding area five horses before their run. The Gate Man will be located next to the alleyway going into the arena. This will be your 1st call. The announcer will call your name for the 2nd and 3rd call. If you are not in the arena by the 3rd call you shall be disqualified
- **Time Begins:** Any time a contestant crosses the starting line, the time will begin.
- **No Time:** A "No Time" will be given to the contestant for the following reasons:
 - If the contestant "circles" their horse after entering or exiting the arena. (Definition of the Arena is past the plane of the alley)
 - If the contestant breaks or misses the barrel pattern.
 - If the contestant runs out of turn. It is the contestant's responsibility to know their draw position.
 - If a contestant knocks over a barrel. A "no time" will also be given if a barrel is knocked over and it sets up again on either end. Touching a barrel, including keeping it from falling, is permitted without penalty.
 - If the contestant's horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls off the horse after entering past the plane of the alley
 - If a horse stops forward motion.
 - If you feel that you have been fouled for some reason, it is your responsibility to pull up and declare the foul to the gateman.
- **Barrel Moved:** If a barrel moved off its marker during competition, the barrel must be reset prior to the next competitor's run.
- **Horse and Rider Rule:** A contestant may enter on whatever horse they choose or as many horses as they wish. However, a horse/rider combination is

considered one entry and horse may not be entered by the same rider more than once. Also, a horse may not be shown by more than one person unless both contestants are members of the same immediate family and in no case shall the horse be entered more than twice. Under no circumstances will sharing of horses be allowed if one of the family members has more than one horse entered, unless each family member is entered in a separate class and not competing against each other.

- **Re-Runs:** Re-runs shall be granted if the official and backup timer both fail to work properly, unless a barrel has been turned over resulting in a no-time. If the barrels are not placed properly on their markers, a re-run shall also be granted without any penalties being applied; however, any penalty occurring on the re-run shall result in a no time. If a rider feels that they have been fouled or compromised in any way, it is the rider's responsibility to pull up and declare the foul to the gate man.
- **Training in Arena:** Contestants who are given a "no time," either for breaking the pattern or knocking down a barrel, may complete the pattern. However, show management may, at its discretion, ask a rider who is taking excessive time to train to leave the arena immediately. If such request is not complied with, a \$25 fine may be assessed.
- **Tie for Prizes:** If any contestants' times are tied, the prize money will be split equally. Numbers will be drawn and prizes will be awarded based on the order of highest to lowest, with the highest number receiving the largest prize.
- **Payout Requirements:** To receive your money, you must fill out a W-9 (regardless of the amount won) complete with address, social security number and signature within 90 days of the event or all monies will be forfeited.
